The Lee County MPO does not warrant the safety of the facilities on this map for use by bicyclists. A bicyclist should use these facilities only if he or she has the adequate skill level as a bicyclist and the bicyclist must make that determination. All the roads shown are used by automobiles and trucks, and bicyclists assume the risks for their own safety when using the roads and/or facilities indicated on this map. The Lee County MPO is not responsible for any damages whatsoever from their use.

This map represents facilities on arterial and collectors verified in the summer of 2012.
